

# ***“PO-PO’S PEEPS”***

Po-Po with her beloved Pidgetto.

*Ena Lue, or as most people knew her as “Po-Po”, dedicated her life to helping others.*

*Whether it be family, friends, the community or total strangers, if it was within her reach, then it was within theirs as well. An avid seamstress, cook and gardener, she prided herself on creating things, particularly authentic Chinese and Jamaican dishes for others to enjoy.*

*We lost her tragically on January 23, 2010, but she still continues her legacy of giving through the NJ Sharing Network. What resulted with the donation of her organs and tissue is nothing short of miraculous. She has saved at least three lives and enhanced that of 43 more.*

*She touched many people, and today, we remember her kindness and compassion for everyone around her. Her unrelenting family and community involvement remains unforgotten, as Po-Po’s Peeps walks and runs in her honor.*

***Po-Po...you will be forever in our hearts...***
